OZARK IRIS GARDENS Ozark, Arkansas

Greetings Iris Lovers:

Again it is about iris planting time and we have hundreds of rhizomes to sell. We have hundreds of some varities and only a few of others. The pr ces are in accordance with the number of that particular variety that we have. We want a few of each and when we get too many of a kind then down will go the price on that variety, so that they will move out of our garden. If you will only compare prices we know that we will get our share of your order for iris. We have about 200 varities listed this year that are surplus. We have hundreds of others that are not surplus therefore not listed this year

We do not have a wholesale list and do not like to be called commercial but simply sell our surplus as stated above. Our gardens are strictly hobby gardens and our overhead is small therefore we can afford to sell for less. We do a lot of hybridizing and some day may introduce something on the market but until then we will have hundreds of seedlings blooming every spring for you to come and look at. Who knows some day one may develop that will be very popular among iris lovers. Our garden is always open to visitors and our peal of bloom should be about the first two weeks of May. Come to see us.

We appreciate all of the nice letters and cards from you after you have gotten a shipment from us. These have a tendancy to make us try all the harder to please you. We try and send lots of extras and to pack them so that they reach you in the very best condition.

Our garden is state inspected and every shipment bears the state inspection certificate. Plants are guaranteed to be true to name and disease free.

OUR TERMS are Cash, money order or check with order. No stamps please. SALES TAX. . . If you live in the state of Arkansas please include sales tax of .02%. SHIPMENT DATE. . . any time from bloom time to October. POSTAGE. . . . We pay postage on all orders of \$3.00 or over, otherwise please include \$.25 for postage. NAME AND ADDRESS . . . Please print your name and address so that we can make no mistakes. SUBSTITUTIONS. . . . when sold out of a variety we substitute with an equally good or higher priced sort unless advised to the contrary. Otherwise, please list several acceptable substitutes. EXTRAS. . . . if your order is for \$10.00 or over you may select 50% more iris of your own choice. If less than \$10.00 we will select the extras.

PERSONAL PROPERTY.
